ELK POINT ENTREPRENEURS -- Gail Kozicky (right) of critters Pet and Livestock Feed and Supply and Linda Hymanyk of Linway Arts were among local businesses displaying their businesses at the Showcase.

Last chance to revive Elk Point Chamber

A meeting has been called for Wednesday, March 6, 8 a.m. at the Empress to decide if Elk Point Chamber of Commerce will continue operation.

Businesspersons who want to see the Elk Point Chamber of Commerce continue to operate, are asked to come to this meeting and give their input on meeting times, potential projects and future focus, as well as any other matters which they wish to address regarding the organization.

The Elk Point Chamber of Commerce is responsible for such projects as the Rodeo Dress Up and Decorating Contest, Canada Day Pancake Breakfast, Tourist Information Centre operation, Christmas Extravaganza and the Christmas Lighting and Decorating Contest.

DO YOU WANT TO SEE THESE ACTIVITIES CONTINUE?

If so, please come to the meeting. The Chamber cannot continue without involvement by its member businesses.

Coffee will be served courtesy of the Chamber.

Entrepreneurs display wares at open house

Dwayne Babyn on Protech Telephone and Alarm Systems, St. Paul, was named the St. Paul / Smoky Lake Business and Community Development Corporation's Entrepreneur of the Year on Tuesday evening at the BCDC's Entrepreneur Showcase in Elk Point.

Two other St. Paul business owners, Linda Crapley of Atlas Cutlery and Butcher Supplies and Pollyanna Fontaine of Quality Personal Care and Cleaning Services, were also nominated for the award, along with Randy and Becky Mulak of Mulak Transport Ltd., Waskatenau, and Leonard and Karen Pasay of All Rig Services Ltd.

The Entrepreneur Showcase brought together representatives of eighteen businesses which displayed products and services from flavored coffees to hand-crafted pine furniture and from fine arts to an holistic garden, plus a number of other business people and community residents who viewed the displays with interest.

Elk Point and area businesses figured prominently in the display, and included Gail Kozicky's 'critters' Pet and Livestock Feed and Supply, Linda and Wayne Hymanyk's Linway Arts, Donna and Crystal Kulczycki's Fur and Feather Petting Farm, their brother Glen's Pet Shop, Florence Drobot's Florence's Country Crafts and Richard Pilisko's Pleasantdale Industries.

Guest speaker for the evening was Martin Connolly, Alberta Manager of the Community Futures Program. Connolly said that Western Diversification, which started in 1987, shows the federal government's commitment to jobs and growth in western Canada. "It's a clear priority of the federal government to

develop and diversify the western economy." Western Diversification is now "steering in a new direction," Connolly said, with quality service to help small businesses succeed. Their objective is "single window access to information on any business or government related topic."

Western Diversification is "helping clients to help

Four charged in Derwent bank robbery

VERMILION — Four men have been charged following an armed robbery at the Derwent Scotiabank on Wednesday.

The robbery, which took place at about 10:50 a.m., involved several culprits. After demanding cash from tellers at gunpoint, the robbers took it and fled the scene.

Soon after, RCMP arrested and charged Omar Bramwell, 20, Taite St. Louis, 20, Morley Foss, 19, and Adam Vitt, 18, all of Edmonton, with armed robbery, disguise with intent, and possession of a firearm while in the commission of an indictable offence.

"We attribute the quick arrests to several citizens at Derwent, who noted a suspicious vehicle in the area," Sgt. P. Calvert reported in a press release Thursday.

All four suspects were remanded in custody, and appeared in Vermilion Provincial Court on Monday.

A police spokesman said the money involved in the robbery has been recovered. There were no other customers in the bank at the time of the heist.

themselves through tools and technology," Connolly said. They are adopting an integrated approach involving electronic communication, and Connolly said that over 40,000 per month are accessing the British Columbia data base alone. They have gone from being a lender of last resort to "being a partner, an enabler. The mandate hasn't changed, but their efforts have taken a new course... their approach is one of service."

Connolly explained Community Futures as a "community economics program at the grassroots level" which provides counselling for small and medium sized businesses in an effort to strengthen rural economy. It is "a one-stop information centre for businesses," which offers service which is not matched by any government or private agency, and which has resulted in "unsung success stories of rural and regional development."

The St. Paul / Smoky Lake Business and Community Development Corporation, under the management of George Rife, has completed a community development project for the town of Smoky Lake and is currently working with the County of Smoky Lake. They are also assisting Smoky Lake and Vilna with their endeavors to end the current doctor shortage in that area, and are prepared to help Elk Point with a similar situation. The St. Paul / Smoky Lake BCDC served 153 small business clients this past year, and as lenders of last resort, have distributed one half million dollars to 30 small businesses in the past five years. Their assistance has been given to such community projects in the area as the Fort George - Buckingham House Historic Site, the Vilna mushrooms and the Smoky Lake train station.

ST. PAUL FLOOR CURLERS took first place in the Elk Point Pioneer Circle Floor Curling Bonspiel this past Friday. Front, left to right, are Yvette VanBrabant, Eva Podlosky, Angeline Vallee and Henry VanBrabant of the St. Paul Senior Citizens. Second place went to (centre row, l-r) Ernie Ducharme, Art Jubinville, Marie Jubinville and Berengere Ducharme of Fort Kent, while third place trophies went to Mallaig with (back row, l-r) Lucien Amyotte, Juliette Amyotte, Cecile Brochu and Katherine Nelson.

FCSS News

New hours scheduled for FCSS department

Elk Point FCSS office will be open Monday to Friday from 9:30 a.m. to 12:00 noon as of March 1, 1996. These hours are only temporary and will be changing again upon the hiring of a new Director.

ARE YOU INTERESTED?

Applications are needed to fill vacancies on the Family and Community Support Services (FCSS) Board. The term of office is three calendar years and all applicants must be residents of the Town of Elk Point. Time Commitment is one two-hour meeting per month. The FCSS Board meets the third Wednesday of every month at 7:00 p.m.

FCSS believes in the value of the individual, the strength of the family and the concept of people working together to achieve a healthy, supportive community. Our philosophy is "people helping people to help themselves." Some current services include Meals on Wheels, Welcome Package, Playschool, Information Night, Elk Point Child Care Services, information and referral, Community TV Channel, family resource materials and workshops, community development, and more!

This can be a very interesting and gratifying position for the right individual. Call 724-3800 for more information.

BABYSITTING COURSE

Elk Point Family and Community Support Services (FCSS) will be holding a babysitting course on April 22, 23 and 25 from 3:30 to 6:00 p.m. at the FCSS Office. The babysitting course is a St. John's Ambulance instructed course for children who are 11 years of age or older. During the approximately 1 1/2 hours of instruction they will learn simple first aid, what to do in an emergency, what type of information they should get from the parent they are babysitting for, feeding techniques, and bathing techniques.

For more information or to register your child, call Lynn at 724-3800.

WOMEN'S WELLNESS CONFERENCE

A relaxing day for ladies who wish to think, feel and be more healthy is scheduled for Saturday, April 13, 1996 in Vegreville at the Vegreville Composite Junior and Senior High School. For more information, you can contact Lynn

at 724-3800.

Spotlight on Volunteers

Won't you consider...

By Elk Point BPOE and OORP

Over the years, the Elk Point Elks and Royal Purple have responded to requests from many different people in need, in and outside our community.

Our ongoing challenge is to provide support through the volunteer efforts of our membership.

With current government cutbacks, the demand for our support is increasing more than ever, while our membership is not gaining any new

strength. We invite anyone, eighteen and over, who might consider becoming a member of the Elks or Royal Purple to come and check us out. Our need for you is now, so that we may continue to meet the challenge of supporting those in need. Even a few hours of your time can mean the world to a person on the receiving end of your generosity. In return, you will enjoy great friendship and fellowship, personal development, the chance to meet new people and the heart-warming

satisfaction of giving to others.

Please watch the local community channel for a presentation of the Elks' and Royal Purple's "ISTAR" Institute for Stuttering, located in Edmonton (one of only two in the world). You will find the successful work being done there very touching.

If you would like to come to a meeting to see what we are all about, or for more information, please call Randy Ballas at 724-4294 or Marie Buck at 724-3626.

March is Nutrition Month

Too busy to worry about healthy eating

By Charlotte Varem-Sanders, RD
Community Nutritionist

Dear Registered Dietician:

Hi, I won't use my real name. But I have a problem! I am caught in a whirlwind of activity and have no time to eat the healthy food you hear so much about these days. I dread going home, not knowing what I will prepare for dinner. Do you have any tips to share about nutrition on the go?

Yours truly,

Too Busy To Worry About Healthy Eating

Dear Too Busy:

You are in luck! The month of March happens to be Nutrition Month across

Canada! This year's theme is **Nutrition on the Go**. Healthy eating does not need to be a chore when nutrition is the last thing on your mind. There are heaps of information coming your way, starting off with a nutrition month pamphlet full of wonderful and practical tips to make your food preparation and eating on the go a little easier. Do not miss this fantastic opportunity to check out your local grocery store and pick one up!

Here are a few useful tips to get you started and to give your busy lifestyle a boost....

* Make a list of groceries or supplies to keep on hand at all times, restock it as needed.

* Organize meals and grocery list while you are waiting in line, watching TV, waiting for an appointment, or sitting on the bus.

* Plan ahead to save time, consider all family activities.

* Plan one dish meals to save time on cleanup (i.e., casseroles).

* Make enough for two meals and freeze the extra for another time (i.e., stews, spaghetti sauce).

The most important thing is to make healthy choices whenever and wherever you eat. Simplify your food preparation by coming up with your own time saving ideas.

Enter our contest for creative time saving tips and /or speedy recipes that will take less than 15 minutes to prepare. A draw will be made on April 1, 1996 and the lucky winner will receive **Anne Lindsey's Everyday Lighthearted Cookbook**. The deadline to submit your creative timesaving tips or speedy recipe is March 31, 1996. Address your entry to:

Caffeine — good or bad?

By Shelley Miller-Hertes

Registered Dietician

Elk Point Health Centre

Caffeine — is it good or bad? That is the question.

Caffeine is a stimulant found in several beverages, some foods and a few medications. Caffeine is absorbed almost immediately, with its effects noticed within one half hour. The effects last approximately three hours. Caffeine stimulates heart rate, respiration, muscular coordination, and can also raise basal metabolism rate. It does increase alertness and helps to combat fatigue temporarily. But remember, fatigue is the body's way of telling you to take a break and get some rest.

Excessive amounts of caffeine can cause insomnia, headaches, anxiety, irritability,

and depression. Current evidence suggests that up to 450 mg of caffeine per day poses no health threat to healthy adults.

The suggested limit for caffeine in pregnant or lactating women is 450 mg. per day. It is important that coffee, tea and cola drinks do not take the place of milk and juice which are far more nutritious.

Here is a list of the caffeine content of several items:

Coffee (6 oz.) — drip: 145 mg.; percolated: 110 mg; instant: 75 mg

Tea (6 oz.) — 65 mg

Cola (10 oz.) — 35 mg

Hot Chocolate from mix (6 oz.) — 18 mg

Milk Chocolate Bar (56 g) — 10 mg

Medications — check list of ingredients or ask your pharmacist

Eleven compete in Saddle Slickers public speaking

Eleven junior members of the Elk Point Saddle Slickers 4-H Light Horse Club took part in their annual Public Speaking Competition Friday night. Topics ranged from 'My First Bonspiel' to 'My Farm and My Family,' and covered a wide variety of interests and outlooks.

Joan Wheat, a new member of the club this year, placed first with a speech entitled "Spring Drive," about her family's 50-year-old tradition of driving cattle to pasture. Her impromptu speech was "My Favorite Season." She received a trophy from critters Pet and Livestock Feed and Supply for her win.

Second place went to Danielle Schnurer, whose prepared speech on "What To Wear" and her impromptu on "My Favorite Place" edged out her elder sister Jamie for the K & D Tractor Service medalion.

Other speakers were Kyle George, Kate Wheat, Brandon Wittmack, Ashley Larson, Renita Osinchuk, Crystal Smith, Megan Proskiw and

Tara Campbell.

Judging prepared speeches were Wayne Hymanyk and Millie Orr, while Brenda Bintz and Laverne Wilson judged impromptu. Wilson predicted "keen competition at the next

level," which will take place in Elk Point on March 16.

Brandon Wittmack and Crystal Smith shared the evening's MC duties. Timers were Hughie Krucik and Vicki Brooker, while Mrs. Osinchuk

TOP SPEAKERS -- Deanna Wittmack (left) presented the K & D Tractor Service trophy to Danielle Schnurer, while Millie Orr presented the first place trophy from critters Pet and Livestock Feed and Supply to Joan Wheat.

Local producers to host bull sale

Two local ranches are not loading up their finest bulls and hauling them off to one of the major centres to be sold this year. Instead, they are inviting the bull buyers to Elk Point. Spring Creek Red Angus and Lazy H Simmentals will offer 33 bulls at Elk Point's first ever bull sale this Thursday.

The sale is slated for 1 p.m. at the Fair Grounds Arena at the north side of town on Highway 41.

Spring Creek Red Angus has become a name well known for fine bulls, having shown the Grand Champion Red Angus Bull at the Lloydminster Bull Sale the past three years in a row, as well as the 1994 Grand Champion Female at the Fall Roundup Show. Bernard Boeckmann is very proud of his fine stock, which he says is part of "a practical working set of cattle that are full of red meat. These cattle will go out and work in anyone's program."

The Havener family of Lazy H Simmentals are also well known on the show circuit. Their purebred operation aims to produce bulls for the commercial cattleman that "not only excels reproductively, but produces fast growing calves with large weaning weights... and females that are easy keepers who will make top herd replacements."

Boeckmann is offering one three-year-old Red Angus, 11

yearling Red Angus, two red commercial bulls and a Red Angus - Simmental hybrid. Havener offers 17 Simmentals that reflect a strong Fleckvieh influence.

Fifty commercial open heifers from six consignors will also be part of the sale: ten Red Angus x Charolais from Tellier Farms Ltd. at Bonnyville; nine Red Angus

cross from Fontaine Caryl Farms, St. Paul; five Red Angus cross from Leigh Babcock, Elk Point; five Red Angus with Simmental influence from Paul and Judy Balicky, Prince Albert, SK; five Red Angus cross from Spring Creek Red Angus; and five heifers sired by Great Guns Reuben 26C consigned by Lazy H Simmentals.

AGRICULTURE WEEK - MARCH 3 - 9

Alberta's 57,000 farm families not only supply food for local consumption, most of it will serve export markets. Their produce not only supports rural communities, it extends into larger urban centres as well.

Agriculture creates not only one out of four jobs in the province... it also accounts for more than half of Alberta's economic activity.

That's why we observe Agriculture Week with such pride in the industry and the people, our friends and neighbors, who keep it growing with their hard work and determination.

What's new at Playschool

By Diane Pashulka
Playschool Instructor

Well, the nasty old winter is still with us, but here at Playschool we are making the best of it. February was a fun month for we finally got to go tobogganing after about 4 cancellations. We had a blast, as you can see by the pictures. It was a wonderful time had by all.

Our Valentine's party brought out the special love in everyone by exchanging Valentine cards and we also added to the loving spirit by making and eating chocolates.

They were delicious!

It's extra fun in the gymnasium now for the gymnastic equipment is all set up. I found out I have some great tumblers and climbers and of course balance beam specialists. We are getting prepared for when the weather warms up and we can once again enjoy the outdoors.

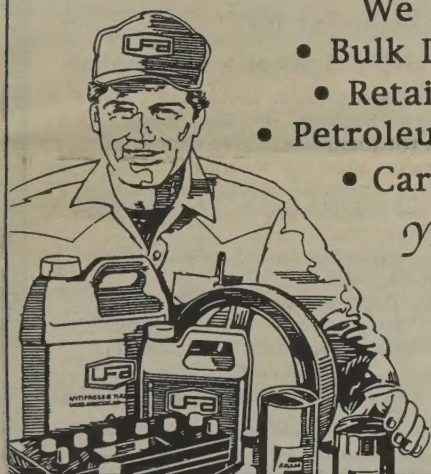

Starting in March we will once again be having two sessions. We have three new children joining our family and one leaving at the end of the month. We want to welcome Garrett, Cameron and Ryan and say goodbye to Brendan. We will miss him dearly.

WINTER CAN BE FUN!
The Playschool crew had a great time outdoors when the weather finally moderated enough to let them go out for some activities in the snow. They even went tobogganing!

A touch of Japan comes to J. F. Dion School

By Diane Parenteau

J. F. Dion School

Since October 14th of last year, the students and staff of J. F. Dion School have been experiencing a touch of Japan. After months of planning and a lengthy flight, Mitsuru Takahashi landed at the Edmonton International Airport to begin a nine month teaching internship at J. F. Dion School in Fishing Lake. Though weary from his flight, he enjoyed the three hour car trip from the airport.

For Takahashi, coming to Canada fulfilled a lifelong dream. The 26 year old native of Sapporo City in Hokkaido, Japan applied to the International Internship Program in Japan last year and listed Canada as his favorite country. Once he was selected as a suitable candidate, he was paired up with J. F. Dion School and his dream became a reality.

Takahashi, who completed his teacher training in Japan, has a special interest in geography and social studies. He is particularly interested in northern countries. "I want to experience everything in the northern culture," said Takahashi.

The daily commuting from Elk Point to the Fishing Lake Settlement for work has exposed Takahashi to some scenery and sights he is very impressed with. He particularly enjoys the immense Alberta sky and compares it with the "low" sky in Tokyo, Japan where it is difficult to see stars at night. "I like seeing all the stars. In Japan you can look at the sky only in the countryside, here you can look at the sky all the time." Takahashi had never seen Northern Lights until a clear cold night this past December when they danced in the north eastern sky over the apartment where he lives. He was very excited about seeing them.

The weather in northeastern

Alberta is similar to Takahashi's home town of Sapporo City. The Province of Hokkaido is a sister province to Alberta and they share simi-

travelling through Scandinavia four years ago and more recently visited destinations in the United States. Takahashi estimates his ability to under-

love him very much." Takahashi, who primarily assists with social studies, is also very good at art, music and physical education.

Takahashi enjoys all spectator sports, especially baseball, and he likes to ski cross country and downhill. He has had some opportunity to engage in these sports with the students at J. F. Dion.

J. F. Dion Principal Phil Sansom, who initiated the intern request on behalf of J. F. Dion School, would like to see Takahashi have as many Canadian experiences as possible. Thus far, he has experienced Edmonton First Night Festivities and will be travelling to British Columbia in the spring. Takahashi will be participating in the J. F. Dion Cultural Camp in June and the grade 6 year end field trip the same month.

Takahashi is excited about learning new things and welcomes any new experiences with excitement and willingness. He returns to Japan the end of June.

MITSURU TAKAHASHI - with the grade one class from J.F. Dion School. Takahashi has made many friends with the students at J.F. Dion, who enjoy hearing about his homeland.

lar climate conditions, including warm weather in the south and colder weather in the northern part. Takahashi says the temperature in Sapporo City can get down to -20°C with heavy snow. He commented that the cold weather and snowfall here in Alberta arrived weeks earlier than it does in Japan.

Takahashi is enjoying his work experience at J. F. Dion School very much. "I am very excited and the students are very kind and friendly," said Takahashi. He also noted the students here were much "less formal" than students in Japan. According to Takahashi, there are both differences and similarities between the Canadian school system and the school system in Japan. In Japan there is school on Saturday and the lunch break is longer. He says classes are much the same.

Takahashi's English skills are good, having travelled abroad previous to coming to Canada. He spent one month

stand English is at about 80% while his talking skills, he says, are less developed.

At J. F. Dion School, Takahashi works primarily with the Grade 5/6 teacher, Kevin Harnish, who is also his host family. Duties include one-on-one assistance with students, lesson material preparation, correcting, and teaching about his country of Japan.

"Mitsuru spends his time equally in each classroom now," says Harnish. "He is doing Haiku poetry with most grades and lessons in history, geography and calligraphy." Takahashi brought some teaching materials from Japan, including a prepared slide presentation of Japan and personal skills in origami and Oriental cooking.

All grades at J. F. Dion have the opportunity for Takahashi to visit and work with them in their classroom. Grade 2/3 teacher Joan Daniels says he has won the hearts of the children in her class. "The children

What's news at the library?

Lots of new books, with something for everyone

By Michele Duczek

Librarian

The news this week is lots of new books with something for everyone:

Adult Non-Fiction:

Magic Eye: How to See 3-D is a step-by-step guide for anyone who has tried to see the images in magic eye pictures but don't quite get it. The information is presented in a breezy style with plenty of pictures.

How Could You Do That? The Abdication of Character, Courage and Conscience by internationally syndicated radio host Dr. Laura Schlessinger looks into current society's tendency to blame someone or something else rather than to take responsibility for one's actions.

They Love You, They Love Me Not by Dr. Vera Rabe-Azoory draws on twenty years' clinical experience to show that favoritism and sibling rivalry are unavoidable aspects of family life and offers innovative strategies for combatting

sibling rivalry.

The Judas Kiss: The Undercover Life of Patrick Kelly by Michael Harris is the story of RCMP undercover officer Patrick Kelly, currently in prison for the murder of his wife.

Perfect Digestion by Deepak Chopra offers a highly focused plan for using the mind/body approach to deal effectively with common intestinal disorders. A book on tape recorded by the author.

Adult Fiction:

Sunset by Douglas Reeman is set in and around Hong Kong in 1941. The war with Germany is quite remote to British forces in Hong Kong but Lieutenant - Commander Esmond Brooke knows that an attack by Japan is inevitable.

Juvenile Fiction:

The Invisible Polly McDoodle by Mary Woodbury. There has been a rash of burglaries in 12-year-old Polly McDoodle's apartment building and she and a

friend decide to investigate. A mystery set in Edmonton.

Lost in Cyberspace by Richard Peck. Joshua's best friend, Aaron, believes he can time travel using his computer. When Aaron blips himself into cyberspace, Josh starts having visitors from by-gone days and learning more about his school's past than he really wants to know. And that's not the least of his problems....

The Dream Carvers by Joan Clark. Fourteen-year-old Thrand is part of a party of Greenlanders seeking a new home in what is now Newfoundland. After a Greenlander kills a native Osweet, Thrand is kidnapped by the Osweet people. Gradually he gains an understanding of the Osweet and is torn between his life with them and his life with his own people.

ple.

The Moon Lady by Amy Tan with illustrations by Gretchen Shields. One rainy afternoon three bored sisters listen to their grandmother

relate a tale about the time she met the Moon Lady. Adapted from a tale in Tan's best-selling *The Joy Luck Club*.

Kitscoty Pitbulls win NE Midget League

Kitscoty Pitbulls proved that they were the best in the Northeast Midget Hockey League this weekend after defeating the Turtleford Tigers in the entertaining final game 2-1 and taking home the cup as league champions. Turtleford, who finished in first place in the league had only lost one game in league play this season when they were defeated by the Thunder 2-1, advanced to the final by defeating Vermilion Sunday morning 4-2. The Pitbulls, who finished in second place, defeated Consort 4-0 in the semi final, proving that the toughest teams in the league were from the north division.

Exciting action started Friday morning when the Elk Point Thunder took to the ice against the Turtleford Tigers and lost a tight battle. Turtleford took the lead in the first period until the 34 second mark when big defenceman Neil Kozicky scored on a low slapshot from the point, tying the game. Turtleford added three more in the second before Chris Berlinguette beat the Tigers' defenceman in a race to the puck and scored on a slapshot from a sharp angle, and then Derek Cusack scored on a power play. Thunder pres-

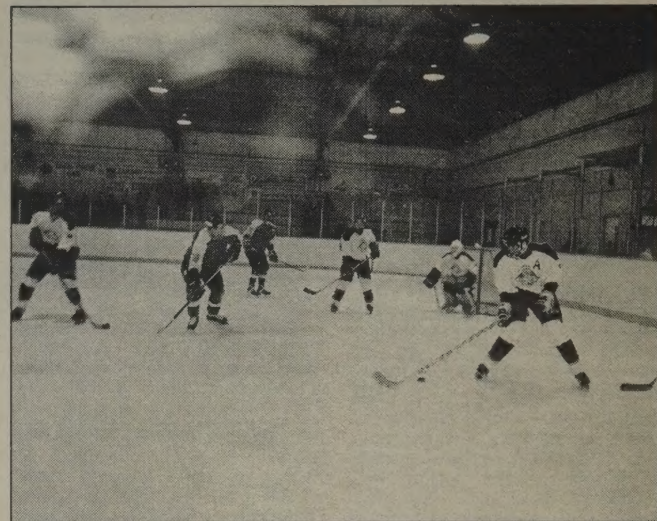

sured the Tigers in the third period but came up short, losing this one 4-3.

Friday night a large crowd went home disappointed as Thunder met up with the Consort Panthers, a team with excellent wheels and good goaltending. Once more the Thunder came up short, losing this one 6-3. Thunder goals were scored by Clayton Cardinal, team captain Kristin Holthe and Neil Kozicky, the unsung hero on the blueline.

Saturday morning the Thunder played Coronation, and things looked bad right off the opening faceoff, when Coronation scored 10 seconds into the game, but the Great Gazoo, Rene deMoissac tied the game at 8:42. Coronation added three more in the first before big Derek Cusack scored

on a hard slapshot making it 4-2 after one period. In the second, Coronation scored two more before Cusack scored his second of the game, making it 6-3 after 40 minutes. The Thunder showed they had lots of heart and came out flying in the third period. Speedy centreman Ferlin Quinney scored first, then Marty Bendixen added 2 before Loren Kozicky tied the game. Making it exciting for the final minutes, the Thunder took a penalty but Clayton Cardinal scored the shorthanded winning goal at 1:40 making the final 8-7 in favor of the Thunder.

This weekend the Thunder, having finished league play, have an exhibition game with Pierceland Friday night at the Thunderdome. Game time is 8:15 p.m.
